Description

Exterior Dry Wash Cleaner/Protectant Concentrate

ACS DW-1000 is an all-in-one dry wash cleaner/protectant for aircraft exteriors. Its non-abrasive formula is safe and effective for use on painted and unpainted metal surfaces. **ACS DW-1000** is water based and can be used in wet or humid conditions where condensation may be present. The concentrated formula offers a range of dilution ratios which offers strong cleaning performance while reducing chemical costs.

Product Advantages:

- Non-abrasive
- Restores luster of original paint
- Proprietary polymer protective barrier blend
 - Reduces potential ice build-up
 - Helps prevent build-up and soil re-depositing
 - Reduces drag and increases fuel efficiency
- Will not streak polished aluminum surfaces
- Formulated for no-rinse dry wash and wet wash applications
- Can be used for wet wash
