

Leather & Hard Surface Cleaner Wipe

Part # LC-364-W DATA SHEET

Aviation Cleaning Supply • 1 Warren St. • Johnstown • NY 12095 • 518.705.4038

Description

Leather & Hard Surface Cleaner Pre-moistened Wipes

ACS LC-364-W Leather & Hard Surface Cleaner Wipes are formulated to remove soils and stains from finished leather, e-leather, vinyl and hard surfaces. **ACS LC-364 Wipes** can be used for quick cleaning and daily maintenance. Our cleaner wipes are also great for spot clean-ups.

For heavier soiled leather, e-leather, vinyl and hard surfaces clean with **ACS LC-364 Leather Cleaner** prior to use of wipes for everyday cleaning.

Product Advantages:

- Quick, convenient application
- Removes heavy soils
- Safe yet effective
- Proper pH for leather
- Easy application for quick turn-around

Directions of Use:

Leather, e-leather, vinyl and hard surfaces:

Use **ACS LC-364-W** only on leather, e-leather and vinyl surfaces. NOT FOR USE on Nubuck or Suede. Prior to application, be sure to pre-test leather in an inconspicuous area to test color fastness. Clean small areas at a time by applying wipe to surface using circular motion and moderate pressure. Continue until all sections are cleaned. Allow surface to air dry. Do NOT apply heat. Repeat as necessary for heavily soiled areas.

Hard surfaces:

Use **ACS LC-364 Wipes** to clean hard surfaces using circular motions while applying moderate pressure. Wipe surface dry with clean cloth. Repeat as necessary for heavily soiled areas.

Chemical Properties:

Odor: None
Specific Gravity: 1.01
pH: 6
Stability: Stable under normal storage conditions

Health & Hazards Rating:

Category	NFPA	HMIS
Health	1	1
Reactivity	0	0
Flammability	0	0
